HAQ ASSOCIATES

Transform your projects from good to Great!

ASSOCIATES

Let’s start this company profile with this verse of Surah Al-Baqarah

Must recite Tauz and Tasmia before recitation.

Al-Baqarah: 2:172

اے ایمان والو!

کھاؤ ہماری دی ہوئی ستھری چیزیں اور اللہ کا احسان مانو اگر تم اسی کو پوجتے ہو

O believers!
Eat of those pure and clean things which We have provided for you, and give thanks to Allah if He is the one whom you worship (and obey).

About us

At HAQ ASSOCIATES, we bring over 10 years of experience to every project we undertake, with our expertise in the industry, we understand the intricacies of project hierarchy and are able to navigate even the most complex of construction challenges.

ASSOCIATES

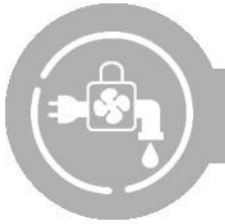

Construction Management

Construction management is a professional service that provides a project's owner(s) with effective management of the project's schedule, cost, quality, safety, scope, and function. Construction management is compatible with all project delivery methods.

Turnkey

Turnkey contract is typically a construction contract under which a contractor is employed to plan, design and build a project or an infrastructure and do any other necessary development to make it functional or 'ready to use' at an agreed price and by a fixed date.

MEP

Mechanical, electrical and plumbing (MEP) refers to the installation of services which provide a comfortable space for the building occupants. In residential and commercial buildings, these elements are often designed by a specialized MEP engineering firms.

Quality Assurance

Quality control depends on the testing of items, as item review gives a clearer image of the quality of the final result.

At Haq Associates, we prioritize quality assurance in every aspect of our work. Our dedicated team of professionals ensures that all projects meet industry standards, regulatory requirements and any applicable BMS/fit-out policies, where applicable.

We implement rigorous quality control measures throughout the construction process, from sourcing materials to final Inspections.

We believe that a commitment to quality not only ensures the success of individual projects, but also builds trust and confidence with our clients.

Our goal is to consistently deliver exceptional results that exceed expectations and stand the test of time.

Customer is Priority

We listen, we care, we deliver.

At Haq Associates, customer satisfaction is our top priority.

We understand that building projects can be stressful,
and we strive to make the process as seamless and enjoyable
as possible for our clients.

From the initial consultation to project completion,
we prioritize open communication, transparency and
responsiveness to ensure that our clients are fully satisfied
with every aspect of our work.

We take pride in our ability to deliver high-quality,
customized solutions that meet our client's unique needs and
exceed their expectations.

Our goal is to build long-lasting relationships with our clients based on trust,
Respect and exceptional services.
